early so that these buildings could be put at the disposal of the Red Army. A Soviet maff in charge of much transit traffic is stationed in the building of the ag. altural cooperative (Mezőgazdasági Szövetkezet), at Szabadsággasse 7. The large garage at Palotaystrasse 5 has been requisitioned by the Soviet Army as a repair shop for trucks and tractors. All the main streets of the city have signposts and direction guides in Russian cyrillic characters.

	7.	The Hungarian troops have stayed in the city all summer.
	8.	The Hungarian Army also has an ammunition magazine here.
	9.	The former noncommissioned officers school is now the barracks of a Hungarian infantry regiment of about 2,500 men, equipped with modern heavy infantry weapons. Its transport is fully motorized. The size of the armored unit is not known, but it has T-34 and JS tanks. The regimental auto park consists of three-axled five-ton cars.
